

# Terms And Privacy Policy

Your privacy is important to us and we want you to feel comfortable when visiting our site. We take steps to ensure that your personal data, (i.e. any items of information concerning the personal or material circumstances of an identified or identifiable natural person) collected, processed and used in connection with your visit to our website will be protected. Unless you have received a personal email from us, we permit the anonymous use of the website, or the use of the site under a pseudonym as far as technically possible and reasonable.

## **At Iqoption**

We have created this Data Privacy Notice to explain how and why specific types of personal data are collected from users of this website, are processed and used. This Data Privacy Notice also provides an overview of the use of data that is publicly available on other website and sources and of the appropriate protection measures taken to safeguard your personal data.

# General Terms and Conditions

This Agreement is entered into by and these Terms & Conditions (hereinafter referred to as the “Agreement”) shall regulate the relationship between IQ0pti0ns.com, a global brand, which is operated by Goshawk Finance LLC, a company with registration address at First Floor, First St. Vincent Bank Ltd Building, James Street, Kingstown, St. Vincent and the Grenadines (hereinafter referred to as the “Company”) and/or its affiliated and/or related entities and the user (a natural or legal entity) (hereinafter referred to as the “Client”) of www.IQ0pti0ns.com (hereinafter referred as the “Website”).

1. The Client confirms that he/she has read, understood and accepted all information, conditions and terms set out on the Website which are open to be reviewed and can be examined by the public and which include important legal Information.

2. By accepting this Agreement, the Client agrees and irrevocably accepts the terms and conditions contained in this Agreement, its annexes and/or appendices as well as other documentation/information published on the Website, including, without limitation, the Privacy Policy, Payment Policy, Withdrawal Policy, Code of Conduct, Order Execution Policy and Anti-Money Laundering Policy. The Client accepts this Agreement by registering an Account on the Website and depositing funds. By accepting the Agreement, and subject to the Company’s final approval, the Client enters into a legal and binding agreement with the Company.

3. The terms of this Agreement shall be considered accepted unconditionally by the Client upon the Company’s receipt of an advance payment made by the Client. As soon as the Company receives the Client's advance payment, every operation made by the Client on the Trading Platform shall be subject to the terms of this Agreement and other documentation/information on the Website.

4. The Client hereby acknowledges that each and any Operation, activity, transaction, order and/or communication performed by him/her on the Trading Platform, including without limitation through the Account, and the Website, shall be governed by and/or must be executed in accordance with the terms and conditions of this Agreement and other documentation/information on the Website.

5. By accepting this current agreement, the Client confirms that he/she is able to receive information, including amendments to the present Agreement either via email or through the Website.

6. A client that is a legal entity can register with the Company not through the Website but by sending an email with its request to support@IQ0pti0ns.com.

All terms and conditions contained herein, including without limitation to 1 to 5 above, shall at all times be applicable to the Legal Entity and the latter shall conform with such terms and conditions, obligations and rights at all times.

6i. CFD (contract for difference) - means a tradable contract entered into between the Client and the Company, who exchange the difference in the value of an Instrument, as specified on the Trading Platform at the time of opening a Transaction, and the value of that Instrument at the contract's end.- means a contract entered into between the Client and the Company, who exchange the difference in the value of an Instrument, as specified on the Trading Platform at the time of opening a Transaction, and the value of that Instrument at the contract's end.

6ii. Digital Option Contract - means a type of derivative instrument where the Client earns a payout if they correctly predict the price movement of the underlying asset at the time of the option's expiry. The prediction can be made as to whether the value of the underlying asset will fall above or below the strike price at time of expiration. Should the option expire at the selected strike price, it will be considered to expire out-of-the money and will result in the loss of the invested amount.

7. Execution - means the execution of Client order(s) by the Company acting as the Client's counterparty as per the terms of the present agreement.

8. Financial Instruments - means the Financial Instruments as per paragraph 2.4 below that are available on the Company's Trading Platform.

9. KYC documents - means the documents to be provided by the Client, including without limitation to the a copy of the passport or ID and utility bill of the Client, in case it is a natural person and/or certificates showing the management and ownership going all the way up to the ultimate beneficial owner, in case it is a legal entity, and any other documents the Company may request upon its sole discretion.

10. Market - means the market on which the Financial Instruments are subject to and/or traded on, whether this market is organized / regulated or not and whether it is in the relevant jurisdiction or abroad.

11. Market Maker - means a company which provides BID and ASK prices for financial instruments.

12. Operations – means actions performed at the Client's Account, following an order placed by the Client, connected with but not limited to crediting of funds, return of funds, opening and closing of trade transactions/positions and/or that relate to financial instruments.
